Описание:

The villa is located in a complex that is located next to a beautiful bay and offers excellent conditions for comfortable living. Residents of the complex can use four swimming pools, including a 25-meter semi-Olympic pool and a children's pool. There is also a gym and a tennis court on the territory. The previously operating restaurant at the pool was closed, but a new restaurant with cozy places by the water opened in the neighboring complex, just a minute's walk away.

The villa is made in a Mediterranean style and has spacious, bright rooms. The kitchen is fully equipped, it is possible to install the Internet with a choice of different packages. The villa has a spacious furnished balcony on the ground floor and a terrace under a wooden pergola. The green area is decorated with palm trees and bright plants, and in the summer season a mobile ice cream parlor arrives.

The complex is conveniently located: a five-minute drive from the traditional Cypriot village of Bahceli with shops, restaurants and bars. Ten minutes away is the Korineum International Golf Club with an 18-hole course, spa complex and private beach. Less than half an hour away is the port and the town of Kyrenia with numerous bars, restaurants, shops and attractions.

The villa is available for long-term rent. The rental price is £1,000 per month. For more information and to arrange a viewing, please contact the specified contacts.
